

08 Education

- Integrate content knowledge across disciplines and construct pedagogical content knowledge to provide culturally relevant instruction that prepares all students for the literacies needed in a changing and interdependent world.
- Apply differentiation, evidence-based practices and assessment, and innovative technologies to meet the characteristics and needs of all students.
- Provide safe, caring, classroom environments that demonstrate and encourage creative, engaged learning to become lifelong learners, critical thinkers, and responsible citizens.
- Collaborate with students, families, colleagues, and community members to create learning communities that value diversity.
